This year there have been a number of exciting initiatives introduced at the school. I have mentioned in the past that San Clemente is a progressive school which endeavours to not only keep pace with societal changes, but also demonstrate that it is a dynamic, innovative school community. A community which is not afraid to think outside the box in all areas of school life in order to move forward and provide the best for its students. Change in any organisation is important and schools are not exempt from this. Change, whilst it can be daunting and challenging at times, enables a school to grow and evolve. Our staff at San Clemente have demonstrated a great capacity to not only manage change but embrace it. It is largely for this reason we have a positive, thriving learning community.

Continual reflection and feedback is essential if a school is to be truly progressive in nature. San Clemente has recently employed the services of Michael Elphick and Associates based in Sydney. One area of expertise in this company is school surveys. As stated in the website, “It was the management master Peter Drucker who remarked 'Things that get measured get improved.' True in education, no less than in business. Good quality data is the beginning of sound decision making and quality school improvement.”

This week, we conducted the school’s first Year 10 Exit Survey with all students in this cohort. This survey asked a variety of questions of our students; ranging from Academic and Religious Life to Student Wellbeing, Bullying, Co-Curricular Activities, School Resources, Facilities and Life beyond Year 10. Feedback gained from this survey will be carefully analysed and answers will be used to make improvements to how the school is run. Naturally our hope too is that it is also affirming! Additionally, we will be surveying Years 7-9 on separate days next week. It is essential students have a voice in the school and this is one significant avenue to express this voice.

Finally, this newsletter edition focuses on the fact that our Year 10, 2015 will soon be leaving us. I would like to personally thank this group for their many contributions to our school community. They are wonderful ambassadors for San Clemente and we will miss their presence next year and beyond. Presently, they are enjoying a variety of activities with each other as they get ready for their graduation on Tuesday 8th December. I feel a particular bond to this group given the fact that I began my time at San Clemente with them in 2012 when they also started high school. I wish them all many exciting and rewarding times ahead in whatever path they choose.

John O’Callaghan, Pastoral Care
As we near the end of the year a number of activities are occurring at San Clemente. Congratulations to Year 9 students on their approach to their exams in Week 7. Attendance was high each day and all sessions proceeded smoothly. It was good to see the commitment that students had to these important assessment tasks. Years 7 and 8 students have also been very responsible in their approach to final assessment tasks for the year. It is important now to finish the year well. A number of Year 10 students were out on work experience and the feedback from employers, teachers and students was very positive. A big congratulations to Year 10.

We also welcomed the Year 6 students that will make up San Clemente Year 7, 2016. They spent the morning at San Clemente getting a feel for the school and taking another step towards a smooth transition into high school. The students and parents were a delight to meet and I look forward to welcoming them again next year. A number of Year 7 students were helpers on this day and shared with the Year 6 students the fears that they had a year ago when they were in this transition. They spoke very highly of San Clemente and were a great help on the day to making it a positive experience.

Mr Kelly and I spent three days last week visiting nine schools in our diocese, getting a feel for what schools were doing in regards to teaching and learning. It was a wonderful opportunity to gather information and experience some of the successful strategies that are being used to develop literacy, numeracy and wellbeing. The teaching and learning team will be looking at various successful strategies to implement next year and further develop the academic successes of our students.

There are still three weeks left in the term and classes have work to complete before the end of the year. There are also a number of important activities organised. Students should expect that classes will continue as normal, and that all the same requirements about attendance, effort, attitude to work, involvement in class and preparedness for class are in place.

Teachers are in the process of preparing reports, which will be sent out in the week beginning December 14th. Academic Awards Presentations for Years 7, 8 and 9 will be held on Thursday December 10th in St Columban’s Church. Students will be informed beforehand and parents are warmly invited to attend to celebrate their students’ achievements. The schedule for the presentations will be as follows:

<table>
<thead>
<tr>
<th>Time</th>
<th>Event</th>
</tr>
</thead>
<tbody>
<tr>
<td>9.00 – 9.45am</td>
<td>Whole School Liturgy (School Shelter)</td>

</table>

Let’s make it a good finish to the year.

Mr Marc Romano, Assistant Principal, Teaching & Learning

**Year 8 News**

Year 8 Community Day – What a fantastic Day!!!

On Tuesday 24th November Year 8 enjoyed a ‘Community Day’ with presenter Chris Doyle at ‘The Grainery’, Tighes Hill. Chris has a long association with the school and is a very skilled presenter. The theme of the day was respect and ‘lurve’, the students discussed respecting and ‘lurving’ yourself, others and the environment. The student’s behaviour was excellent and the energy from the group was contagious! Chris himself said that after the long drive in traffic from Sydney “this was the ideal group to work with”. I was very proud of the group and I am sure they all have a great future ahead of them. Special mention goes to those students who volunteered their talents on the day to perform and dance for us!

Our presenter, Mr Chris Doyle reinforced all our work we have been doing this year with the positive education program. He spoke about the importance of connecting with the other students, teachers and the community. He also spoke about being active in the environment and how our Year 8 students today are tomorrow’s environmental caretakers. Along these lines, our students are continuing to work on their ‘adopt an area’ project with some fantastic ideas coming out of our mentor groups. These areas will create pride in our school and will mean a more space to relax and enjoy their lunchtimes.

Last week was a very busy time academically for our Year 8’s as well with a lot of exams and assignments due. On the whole the students conducted themselves very well and I am sure their result will reflect the amount of work they have done. Marking and reports are currently being entered and completed by teachers and students can expect to receive these in the next few weeks.

With around only three weeks left of the year it is important to remain focussed. Classes are continuing as normal and attendance is still expected. If you have any questions, please do not hesitate to contact me at school.

Mrs B Denham, Year 8 Coordinator

**Mobile Phone Policy**

A policy has been developed for mobile device use at the school which will become effective in 2016 for all students.

This process involved consultation with the Executive, Management Team and our P&F, as well as faculties being given the opportunity to provide input. Students were also given a say through the Student Leadership Team and SRC. Our plan is to implement this policy at the start of next year. In the meantime it will be distributed to year 6 parents and students next week when they visit as part of their transition to the school. It has also been uploaded to our website (link below) in preparation for next year.

**Computers 1:1 Years 7-10**

Students requiring a new computer for next year? If you have not ordered as yet you are strongly advised to purchase the device by 1 December to ensure delivery before Christmas and take advantage of the current deal on offer. Breakwall Technical, website: [http://www.breakwalltechnical.com.au](http://www.breakwalltechnical.com.au)
Year 10 Matters

Year 10 we are in the home straight with the finish line in sight. Exams are completed, Awareness Week activities have commenced and Graduation is a little over a week away. I would like to congratulate Year 10 on the manner in which they conducted themselves last week during work experience. Reports from employers were glowing and all Year 10 students who I have spoken to this week thoroughly enjoyed their working experience. A huge thank you must go to Mr Allan the Careers Advisor, for the many hours he has spent preparing and organising work experience for Year 10.

On Tuesday of this week Year 10 had their final scheduled year meeting. I was a little emotional as I stood in front of them attempting to summarise the two years we have shared together. I emphasised the messages and advice I’d given them over that time. To always believe in yourself, work hard and never give up until you have achieved your goals. To be ambitious, determined and motivated. Use the words “Why can’t I” instead of “I can’t”. To value and cherish each day and pretend that every second is worth $1, and the seconds you waste cannot be banked. To always smile and lend your smile to those who need it. Make a difference in the world. Finally I challenged all of Year 10 to find their passion in life, and although it may not be clear to them yet, never stop until it is revealed.

Awareness Week has commenced and the first day involving entertainer Chris Doyle (must be something about the surname) was excellent. Chris is a talented individual who is able to inspire people through the use of music, dance, humour, life experiences and his unique messages. Chris challenged Year 10 not to take things for granted, to be the person they want to be and to make the right choices in life. He made Year 10 realise the positives in life and as tough as life may be, we each control our own destiny by the decisions we make. Sitting back and watching Year 10 participate positively in the day made me a very proud Year Coordinator. They were full of energy, receptive and respectful. Smiles and laughter filled the room and Year 10 united as a group. All Year 10 were stars on the day, however, I must applaud the boys who defeated the girls in the dance off. The day also saddened me as I realised I will miss Year 10. Just as they are reaching that stage in their life where they have matured and are full of hope and dreams, San Clemente has to say goodbye to them. However, I am heartened that they are ready for the next stage of their life and San Clemente has prepared them well.

A few students have yet to pay for Awareness Week and the Graduation/Dinner/Dance. The combined cost is $150. This payment should be paid as soon as possible. Any issues regarding payment please contact me. The below information is a repeat of my last newsletter article. I thought it was important to include again in case some parents may have missed the last edition.

Students are expected to be at Newcastle Panthers prior to 5.15pm so they can be assembled in mentor group. Parents are unable to sit with their child during the Graduation ceremony. Each student may have four guests. If every student has five or six guests the venue will not have enough seating. The Dinner/Dance is only for Year 10 students and teachers. It will conclude between 10.30 - 10.45pm. Students will only be allowed to leave the venue when collected by their parent/guardian or another students parent.

If your son or daughter has any uniform items that are not being passed on to friends or younger siblings and are in reasonable condition, I encourage you to donate them to the school.

A reminder to Year 10 and parents, if you have any concerns at all (maybe about awareness week or graduation) please contact me at school, 40147300 or email address; patrick.doyle@mn.catholic.edu.au

A final thought Year 10,

“All our dreams can come true – if we have the courage to pursue them.”

Patrick Doyle Year 10 Coordinator

Careers Corner

Welcome to the second last edition of Careers Corner for Term 4. This week has a special focus on Year 10 Work Experience placements and the upcoming First Aid training day on Monday of Week 9.

Last week saw over 100 Year 10 students venture out into the work force – some for the very first time. Students were required to contact prospective employers themselves and subsequently organise their placements prior to the Week 7 commencement date.

Student were dispersed throughout a variety of different industries such as; Construction, Hospitality, Human Services, Business, Automotive, Information Technology, Metal and Engineering, Retail Services.

All students received positive feedback from their supervisors with comments such as “can we keep them”, “they’re very mature for their age”, and “he/she is a really hard worker” becoming the norm. I would like to take this opportunity to formally congratulate ALL Year 10 students who completed Work Experience – both last week and to the small group completing their placements this week.

Thank you also to Mrs. Helen Wilks for giving up her time to visit a large number of students situated throughout the Newcastle area – this was very much appreciated!

On another note details for the First Aid training day are as follows;

**Where:** San Clemente HS – Room C2/C4 and the Library  
**When:** Monday 30th November – Week 9  
**Cost:** $50 – which should have been paid ALREADY!  
**Dress:** Full sports uniform

**Requirements:** creation of a USI, register online, and complete the online student handbook – **ALL 3 THINGS MUST BE COMPLETED BEFORE THE TRAINING DAY!**

Year 10 students and carers are also reminded of the following important date for Term 4;

→ **Student Half Day Orientation Visit to SFX on Wednesday 2nd December (Term 4)**

As always, a friendly reminder to ALL STUDENTS in Years 9 and 10 to;

**Check daily, Read carefully, and Respond promptly!!!**

Mr Mitch Allan – Careers Advisor (Acting)
Year 9 News
This is the second last newsletter for 2015!

Year 9 students have been receiving their exams back with feedback. It is important for students to reflect on the feedback they have been given from exams. This feedback will assist students in setting goals for next year.

This week the following students presented speeches to the school as part of the 2016 leadership process:

⇒ Lauren Mulholland
⇒ Jasmine Sullivan
⇒ Isabella Hawke
⇒ Chloe Charlton
⇒ Sophie Caponecchia
⇒ Aimee Murphy
⇒ Bryce Zerbes
⇒ Patrick Nolan

Interviews with the school executive will be held on Monday 30th November. School leaders for 2016 will be announced in due course.

The Tony Kelly Cup came to a close for 2015 and I would like to congratulate Sienna for their efforts during 2015. As the house patron of Aquino I am looking forward to fierce competition in 2016!

With only a short time till the school year closes it is still important that students work diligently and “get the little things right” during the closing weeks. Correct uniform, behaviour and application are still required as normal.

“finish the race as you started it, strong and with enthusiasm”

Mrs Tolfree, Year 9 Wellbeing Coordinator

Student Updates
Please keep us informed of any changes of address, phone or email address so that our communication records are current in the event of an emergency and for all correspondence.

Year 7 News
Often in this section I will write about the importance of “living in the now” but it is impossible not to think about how close we are to the finish of Year 7! So here is my “Wellbeing” Countdown as we approach Christmas break:

10 – pm is the ideal time for ALL of us to get to sleep. Sleep experts would say the hours we are asleep before midnight are worth double to our health and wellbeing.

9 – thousand steps per day. Easy for the students but we all need to get up and move- “Sitting is the new smoking!”

8 – Home Rooms in Year 7 – all Champions!!!!

7 – minutes of laughter per day. Laughter strengthens our immune system, reduces cravings and makes people more resistant to pain. It’s just plain good for you!!

6 – am wake up! Let’s not rush and stress before work or school. Take time for ourselves. Great time to exercise or practice Mindfulness.

5- things we are Grateful for. Practicing Gratitude can be a key to opening our Happiness.

4- mental or stretch breaks. Taking a few moments during our day away from work to refresh our body and thoughts.

3 – weeks to go!

2 – Litres of water per day. If you are like me and have a coffee problem, drink two cups of H2O for every Latte!

1 – hour of exercise or reading per day. Hard to do both at once but keep our mind and body ACTIVE!

0 – the amount of time we should spend OVERTHINKING! Overthinking is our biggest cause of unhappiness. Keep yourself occupied. Keep your mind off things that don’t help YOU. Think Positive.

Shout Out
I have many, many times noticed the high level of connection, service and maturity of Year 7 students, 2015. Last week was certainly a highlight!! Year 6 orientation visits were held, with five days of tours, talks and meetings with 180 very nervous students and families. During these visits the absolute stand out was the contribution of Year 7 students. This year we decided that the best role models for our 2016 cohort were are current Year 7 students. Many students spoke, led tours and assisted in computer tasks. They were simply OUTSTANDING!! The feedback from visiting parents was at the highest level with one parent saying to me, “If my child spends a year at SCM and is as happy, confident and mature as them, I will be ecstatic!”

That’s right, we are starting to think and plan for our next step!

In Week 3, 2016 Year 8 students will travel to Cockatoo Island in Sydney and participate in a Cultural and Sightseeing Tour of the City of Sydney. 2 nights “Glamping” on Cockatoo Island, tours of galleries and museums, watch a movie, visit St Mary’s Cathedral, tour through Chinatown and Luna Park. This year’s camp was a highlight for all students. It is a fantastic opportunity for students to CONNECT, BE ACTIVE, TAKE NOTICE and KEEP LEARNING. A note will be sent home soon with further details but for now – KEEP THIS DATE:

Where: Cockatoo Island and Sydney City
Cost: $270 – (NB. Will be added to Term 1 School fees if required.)

Nathan Beckett, Year 7 Wellbeing Coordinator
REVELOUS STUDIES NEWS!

Students in Year 8 are currently studying a unit in Religious Studies called ‘The Church - Past, Present and Future’. On Friday the 4th of December all of Year 8 will be walking from school to ‘Christ the King’ Church, Mayfield West, past former Redemptorist Monastery in Woodstock St Mayfield, then back to St Columban’s Church. Students will need to bring a packed recess on the day, students will be attending sport as normal. This is a compulsory excursion, part of the curriculum and all students are expected to attend. Students will learn about how the church as a building and as a community has changed throughout history. Students in Year 8 need to have a permission noted signed for the excursion.

Each year all schools in our Dioceses complete the Religion Literacy Assessment in Years Four, Six, Eight and Ten. This year San Clemente has improved their overall results in both Years Eight and Ten. Congratulations to 10.1 Religious Studies who received the highest class average in the Dioceses.

Congratulations to the following students who received Certificates of Distinction and High Distinction.

Year 8- Certificate of Distinction: Faith Cole
Year 10- Certificate of High Distinction: Lam Doan, Jesse Taggart, Amelia Mitchell, Beau Valentish

Renate Daly/ Japanese Teacher
Teaching and Learning Coordinator Religious Studies

JAPANESE NEWS

Our Year 8 and 9 classes are beginning a new activity to: CONNECT WITH OUR PRIMARY SCHOOL, ST COLUMBANS. Students are busy making colourful little Japanese learning booklets. They will then attend a primary class, sit with the students and teach them some Japanese expressions eg numbers 1 to 10, animals, colours, greetings. We hope that it will be a fun time for all and the beginning of many more opportunities to connect.

Secondly, next Thursday, all Japanese classes are having an OBENTOU DESIGN COMPETITION. An obentou is a Japanese style lunch box, in which the different types of food are put into sections. Students are going to design and decorate eg make funny or cute faces, colourful designs. The food does not have to be Japanese, it can be anything arranged in an imaginative way. The winning students will gain a small prize – their house colour will receive points for 2016.

The Japanese Teachers’ Association have organised a competition for Year 8 Japanese students in NSW. Students are to design a JAPANESE NEW YEAR CARD. What a great opportunity for those who love to draw. Most interested students have the information- please see Mrs Daly if you have been absent.

Planning has begun for the STUDENT EXCHANGE TRIP TO JAPAN next year. Students in Year 9 and 10 are invited. If they do not fill our quota, Mrs Daly will invite other students who have been kind enough to host or help.

Renate Daly/ Japanese Teacher

English News

The English Faculty supports numerous extra-curricular activities at San Clemente, one being the Newcastle Herald Competition. Congratulations to our 16 students and Miss Cram, who all worked so hard at publishing an impressive collection of articles, letters to the editor and illustrations for The Newcastle Herald. Yesterday the group received a Highly Commended for the best school and three of our talented students also received individual Highly Commended Awards. These students were Jasmine Sulli-van (Year 9) for Editorial, Jordyn Baker (Year 9) for photography and India Pryer (Year 8) for cartoon.

Last Friday and Saturday, five members of our faculty attended the annual English Teachers’ Association Conference at the University of NSW, Randwick. For many of us, this is a highlight of our teaching year. Hundreds of English teachers from all over the state, Australian and even the world meet for two days and share their craft. This year there was a heavy emphasis on the teaching of reading and writing as a whole school approach and we look forward to sharing our ideas with other members of staff.

All Year 7 -10 students have completed their assessments for the year. Students in Year 7 -9 will finish the term off with a strong focus on literacy. Students are reminded to bring their charged electronic devices to class each day, allowing them to access our literacy resource, Obook on the internet.

Ms Karen Brennan, English Teaching and Learning Coordinator
Karen.brennan@mn.catholic.edu.au
San Clemente P & F need you in 2016
Please join us on Tuesday February 16th, at Stockton RSL, 6.30pm for a welcome dinner.
Come one, Come all!

BISHOP’S AWARD
Applications are now called for the 2015 Bishop’s Award.
Students currently enrolled in catholic secondary schools within our diocese in Years 7 – 11 are invited to collect a Bishop’s Award Information and Application pack from their schools administration office and discuss their application with their Priest, Deacon, Minister or church leader as well as their school Principal.
Applications are to be forwarded to the Catholic Schools Office and be received no later than 18 December, 2015.
For further information, please don’t hesitate to contact Cath Garrett-Jones on 4979 1303 or email: cath.garrett-jones@mn.catholic.edu.au

Uniform: Any uniform that is in good condition that your child has outgrown or no longer needs would be gratefully received at the office to be passed on to someone else in need.

House System—2015 Champions SIENNA
On Monday 23rd November, the House System competitions for 2015 came to a close with San Clemente’s Got Talent! Judged by Mr. Kelly and Mrs. South, five fantastic acts performed with Aimee Murphy and Clara Price (Sienna) overall winners, Austin McKay (Aquino) was the “fan favourite” and Solomona Puru and Isaiah Paulo – accompanied by four St. Columban’s students – the most original act, after an amazing rendition of the Haka. Congratulations to all students who performed!

Thank you to ALL students who participated in House competitions this year. From working diligently in the classroom and participating in the lunchtime sport competitions to representing the school at regional Debating and DioSounds, your contributions are valued and appreciated. A special mention to the 2015 Student Leadership Team for their enthusiasm and support for House initiatives throughout the year.

Mr N Marsh, Tallyman

CHAMPIONS Sienna
2nd Calaroga
3rd Aquino
4th Castile

SPORT DESK
Representative Sport has certainly eased off at last. Thank you to all the students and coaches for their enthusiasm and dedication. We do have one exciting piece of news: congratulations to ELIZA LIMN who has been selected into the NSWCCC WATER POLO TEAM again. She will also attend Hunter Academy of Sport.
If your child is an elite athlete, please keep your eye on the NSWCCC Website for information.

SPORT IN 2016: Sport selection will take place online next week. A new activity will be added: KAYAKING. The details are: “SCHOOL OF YAK “ will instruct / VENUE: Carrington/Throsby Creek area program / COST : $10 . Safety gear will be provided. There can only be a small group of 14 students. Sounds like fun!

Renate Daly/ Sport Coordinator
Library and Book Hire Loans

Attention YEAR 10 students: the school year is coming to a swift close and all loans must be returned to school. Please bring your outstanding Library and Book Hire loans to the Library ASAP, or please pay for any lost/damaged items. Students with outstanding loans will not be issued with graduation tickets until all loans are reconciled. Thank you to those who have returned their books already.

Mrs. Hüber, Library & Book Hire

Sight and Sound 2015

Tuesday 17th November saw our school library converted into an exhibition and performance space for ‘Sight and Sound’, the annual showcase of Visual Arts, Textiles and Music at San Clemente. Congratulations to all students involved and a special mention to three students who were voted ‘People’s Choice’ winners for 2015.

Cielle Perrin
Ivy Griffin
Scarlett McInnes

We were extremely fortunate to have Jane Lander, a local Newcastle artist open the exhibition and her words of support for our students was truly an inspiration. She implored that all involved in the arts continue to bravely take risks and experiment in our work, wonderful words of advice for our young people.

Thanks to all who joined us on the evening to celebrate the achievements of our young artists, it truly was a wonderful night.

Mrs Emma South

This week at our school assembly, San Clemente launched the 2015 St. Vincent de Paul Christmas Appeal. The theme is:

“RESTORE HOPE THIS CHRISTMAS”

The St Vincent de Paul Society’s Christmas Appeal invites the community to help make Christmas complete for thousands of people in disadvantage who are missing the family togetherness, joy and happiness that should come with the season.

We are asking for donations of:
Non-perishable foods, like canned, tinned, bottled and packaged food and drink. (NO NUTS).
Items for the Christmas table, like napkins, paper plates and bon bons.

And NEW clean summer clothing, toys and small gifts.

(Please do not give us old toys and clothes – they can be delivered to the Vinnie’s shop at Mayfield.)

We would like to encourage all students to bring in a donation and support our school appeal. Money donations are also welcome, to help struggling families pay bills at Christmas.

Giving to the Christmas Appeal contrasts receiving a gift on Christmas morning and sharing a family meal, with the reality of no gifts or Christmas meal – a reality that is experienced by many families in need. St. Vinnie’s members will begin to come around and collect goods from each mentor room over the next two weeks. The appeal collection is Thursday 10th December. All donations will stay in our area and go directly to help the local people in need.

Thank you, in anticipation of your generosity.

San Clemente St. Vincent de Paul Society
Expressions of Interest are sought by the Maitland Newcastle Diocese to attend World Youth Day 2016 being held in Krakow, Poland. Further information on the event is available from the Diocesan World Youth Day Coordinators, Sue Lacey, susan.lacey@mn.catholic.edu.au and Brian Lacey brian.lacey@mn.catholic.edu.au.

The cost of this experience is $7,456 per person. This includes: Return Economy Airfare with Emirates Airlines. Accommodation in 3-4 star hotels and quality University Accommodation in Krakow. Air conditioned coach transport. Most meals. All entry fees, tips and local guide fees. Travel insurance is included. The price is exclusive to pilgrims travelling under the official Diocese of Maitland Newcastle. Expressions of Interest should be sent immediately to emails above or contact Mrs Jenny Ismay 4979 1200.
Dear Parents/Carers

On Tuesday the 15th of December a community day at Lambton Pool has been organised.

Students will travel by bus to Lambton Pool at 9am. The cost of the day is $10.00 which covers transport (bus) and entry into the pool as well as three hours of slide and inflatable activities.

Students can bring their lunch or canteen facilities will be available on this day at the pool.

Students are encouraged to slip, slop, slap for this day.

Please return the signed permission slip below to school.
