2016 Swimming, Cross Country & Athletics for Students with a Disability

Attention: Principal / Sports Coordinator

Since the successful introduction of events for Students with Disabilities (SWD) in 2002, the number of students participating has been growing each year. In 2008, the entry process for SWD swimming events was the same as for able-bodied students. That is, students with disabilities were nominated along with able-bodied students from your school to compete at the Diocesan carnival. This will continue in 2016.

Entry Process:

If students wish to participate at Diocesan level or higher, they need to be classified on the NATIONAL CLASSIFICATION MASTER LIST. An updated list of athletes can be found on: http://www.swimming.org.au/multi-class-swimming.html This is the official record of all Australian classified athletes with a disability. Parents will need to have their child classified and placed on this list. Steps on how to do this are included on the following pages as well as on our NSWCPS website (www.csss.nsw.edu.au). At this stage parents will still be required to complete the single page Diocesan Entry Form and forward it to Anne-Maree Shipman at the CSO prior to the Diocesan carnival. This Entry Form will provide the necessary information to cross check the National Classification Master List. Please ensure the students classification code has been entered on the Diocesan entry form (It may be different for each sport).

Please pass this information onto parents at your school at the beginning of the year so that they are aware of the process.
