**OUTCOMES ASSESSED**

- 4.2 – organises and interprets geographical information
- 4.3 – uses a range of written, oral and graphic forms to communicate geographical information
- 4.4 – uses a range of geographical tools
- 4.5 – demonstrates a sense of place about global environments
- 4.8 – describes the interrelationships between people and environments

**DESCRIPTION OF ACTIVITIES**

Students will complete a 45 minute formal examination in class. The Geography examination will consist of:

- Multiple choice questions
- True and False questions
- Mapping skills
- Written responses

To prepare for this task students will need to revise all the work they have covered in Geography this semester. Areas to focus on are mentioned below:

- Physical and Human Environments
- Continents of the world / Countries in Europe / Australian states and territories
- Latitude and Longitude
- Area and Grid Reference
- Features of a Map – BOLTSS
- World Heritage Areas
- Climate Graph

**METHOD OF SUBMISSION**

Late submissions lose 25% the first day, 50% the second day and on the third day no grade is given. Work that is plagiarised will not receive a grade and will need to be resubmitted. Sources that have been used in your assignment need to be acknowledged in a reference list. Computer / printer malfunctions are not considered a valid excuse for submitting an assignment late. Extensions must be applied to the TLC well before the due date.
