ASSESSMENT TASK

SUBJECT: Science
YEAR GROUP: Yr8
TASK TITLE: Physical World Topic Test

Name of Unit: Physical World
Type of Task: Topic Test
Due Date: Term: 1 Week: 9
Weight: 12%

OUTCOMES ASSESSED
PW3: Energy appears in different forms including movement (kinetic energy), heat and potential energy, and causes change within systems.
PW4: Science and technology contribute to finding solutions to a range of contemporary issues; these solutions may impact on other areas of society and involve ethical considerations.

DESCRIPTION OF ACTIVITIES
You will be examined on the content you have learnt during Term One.
The Topic Test will take place during a lesson nominated by your teacher during week 10.
If you are away on the day, you must fill out an Illness and Misadventure form from Mr Romano’s office or downloaded from the school website. If acceptable, you will be organised to sit the test at the first available opportunity.
Students may be allowed to sit the test prior to the specified date if they are aware of an upcoming absence and the appropriate forms are submitted to your teacher for approval.
